Invitation

to attend the

6th European Benchrest Shooting Championships

Umeå, Sweden, June 27 - July 2, 2016

On behalf of the Swedish Bench Rest Shooters Association and the Hosting Organisation at Brattvall Hunting Shooters Club, we are happy to invite the EBSF member organisations in each country to send competitors to the Championships. If such an organisation does not exist in your country do not hesitate to contact us or the chairman of the European Benchrest Shooting Federation, Mr JC Braconi, as we would like to welcome new nations to enter the Championships.

The range at Brattvall was built for the World Benchrest Championships 2003 and have room for up to 30 benches. This means that we are able to welcome 120 shooters without having more than four relays. Bench rotation is to be arranged as a two bench rotation, see example in the Championship Manual. Please inform us about what flags you have and/or like to share. Our intention is to provide each national team a bench of their own and to use flags exclusively of their own choice. This can easily be arranged if individual shooters also participate as group of four and like to share flags with a national team. Due to different preferences we can't guarantee this service to all competitors but we will do our very best.

For planning reasons we need your support. Please state a contact person and provide us with your best estimate of how many competitors from your country will participate as soon as possible.

By February 1th you have to give us preliminary entries by number of competitors and teams by member countries together with payment of full entry fees, EUR 250, which are not refundable. April 1th is closing date of final entry of competitors by name and team allocation.

This invitation contains information we hope you find useful. Further information will be added as our work progresses and will adopt to requests asked for. Our intention is to give you information enough so you can manage to arrange with accommodation, transport, permits and other needs you may have by your selves. Although if you need our help we will assist you as best we can. Please feel free to contact us by e-mail or phone. Correspondence from your Team Manager will be answered promptly while questions from individual shooters or supporters will be answered in second hand.

First of all we will arrange a great Championship but we also have nice social events planned for competitors and staff.

We certainly look forward to welcoming you to Sweden!
Bo Petersson

INFORMATION

Shooting
